Payments
Your credit card will be billed on the 1st business day of each month.

Notice of Cancellation
Since your class time and day is reserved for you, written notice is required to withdraw. Please let us know as soon as possible.

Inclement Weather Policy
If we cancel class due to weather, or other reasons, we will send an email and a text message, plus post a notice at Facebook.com/DiventuresNorthLiberty. We will issue a class credit for a future session. Please be sure we have your latest contact information.

Missed Classes
- If a student misses a class due to illness, we will credit the class with a doctor's note or copy of a prescription. If your swimmer has a prolonged illness, please contact us.
- No makeup classes or credits for missed classes will be offered for reasons other than illness.
- Two days of vacation credit are available to customers after five months of continuous monthly enrollment, which you may use when unable to attend class within the calendar year.

Enrollment
New customers are enrolled and billed for the session and the new family registration fee immediately upon registration. After that, enrollment will continue monthly. When weekly sessions are available, enrollment is per session, four consecutive classes in one week. If a student takes a break longer than 12 months, a re-registration fee will be applied.

Teachers
We understand that different students respond to different teaching personalities. We will always try to accommodate these needs. We can never guarantee a particular teacher and reserve the right to change teachers. We encourage students to work with a variety of teachers to see which teaching styles work best for them. This helps aid in swimming with new people, under different circumstances, and in various locations.
