GRATITUDE
ADVENTURES

***A WEEKLONG BOOK OF
GRATITUDE FOR THANKSGIVING***

Monday

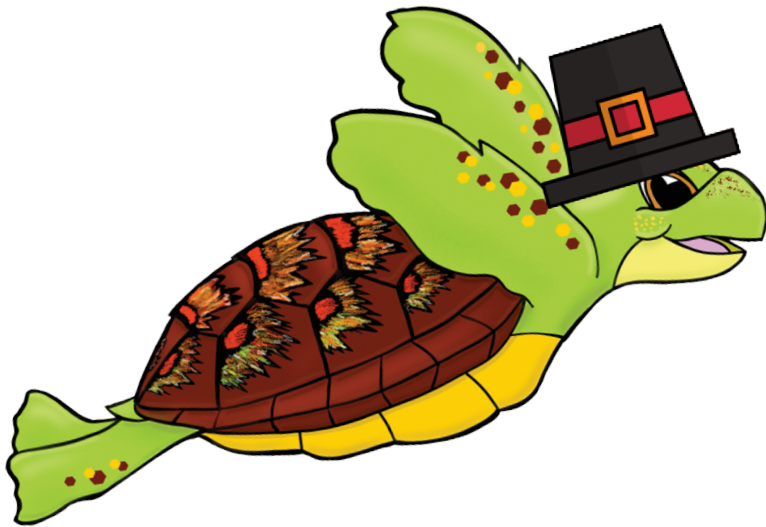

**Charlie the
Clownfish is
grateful for all of
his friends on the
Aqua Team!**

What makes you happy?

Did you know that Clownfish live in the warm waters of sheltered reefs and shallow seas in the Pacific and Indian Oceans? During the winter, they will migrate to deeper water to stay warm.

Tuesday

Sunny the Sea Turtle is thankful for everyone who helps protect the oceans.

Who is your best friend and why?

Research suggests that 52% of the world's turtles have eaten plastic waste. The reasons are simple: a floating plastic bag can look a lot like jellyfish, algae, or other species that make up a large component of the sea turtles' diets.

Wednesday

**Sandy the Shark
is thankful for
all the scuba
divers who come
to visit her.**

**Who is someone who helps you?
How do they help you?**

**Did you know that despite their scary reputation,
sharks rarely ever attack humans and would much
rather feed on fish and marine mammals.**

Thursday

HAPPY THANKSGIVING!

**Here are the top 3 things
I am thankful for!**

Color. Cut along dotted lines. Fold back tabs on both sides. Set as a place setting at your Thanksgiving dinner table.
