Dive insurance (required)

Diventures is happy to assist you in purchasing dive insurance through Diver's Alert Network (DAN). DAN provides emergency medical information and assistance for underwater diving injuries.

View their plan options at:
apps.dan.org/join-dan/?rc=209654

Travel insurance (recommended)

Trip insurance provides extra protection for unexpected traveling problems, such as accident, illness, airline bankruptcy, lost luggage, canceled or interrupted trip. DAN also offers travel insurance.

View the details at:
apps.dan.org/scuba-dive-insurance/?rc=2096543

Travel tips

- Check your passport expiration date
- Call your credit card company to let them know you'll be traveling with your card
- Take a quick refresher course to brush up on skills
- Put together a travel first aid kit
- Double check your dive equipment to ensure it has been serviced in the past year
- Stop your mail and/or newspaper services
