

Diventures

Open Water Diver Classroom & Pool Sessions

Start your journey to completing your Open Water Diver Certification and begin a lifetime of underwater adventure.

This certificate covers two of the three parts needed to complete your certification: Digital Learning and Classroom/Pool Sessions.

To earn your Open Water Diver certification you will also have to purchase and complete four Training Dives.

*Participants must own a full Snorkeling System and Safety Gear for class.
A Diver Medical form must be completed prior to class.*
